

HPGS Members, Friends and Colleagues,
please join us for a PAU HANA and PRESENTATION:

Latest Trends in Technology and Family Caregiving

Amy Goyer, AARP's nationally-recognized caregiving expert will be in Honolulu for a special presentation!

Join us for a robust conversation about innovations in technologies that support independence, safety and aging in our homes, enabling family caregivers to manage the complicated tasks of caring for elders while juggling work and other life responsibilities.
