

HPGS Members, Friends and Colleagues,  
Please join us for a special presentation:

# How Home Modifications Improve Activities of Daily Living for Aging-In-Place

The following topics and others to be presented by Curt Kiriu, President of CK Independent Living Builders. He is a member of the BIA (Building Industry Association) of Hawaii, and the NAHB (National Association of Home Builders). He is a Certified Aging-In-Place Specialist and an approved NAHB instructor for this course. He is the 2014 NAHB Certified Aging-In-Place Specialist of the year.

- ❖ What is Aging-In-Place, Independent Living, Universal Design, Barrier-Free and VISIBLE; and what does it have to do with me or my client?
- ❖ Learn various design modification ideas that are simple, inexpensive to moderate in cost; this may make a home accessible, safe and comfortable for independent living.
- ❖ What Universal Design products can enhance your home yet be transparent in design and use.

**Thursday, July 9, 2015**  
**12-1:30 p.m.**
