HPGS has open enrollment for new members throughout the year. Current HPGS members may renew for 2022 any time online at [www.hpgs.org](http://www.hpgs.org) or print the form and pay with a check.

The Hawaii Pacific Gerontological Society distributes monthly newsletters and hosts three general membership meetings.

HPGS encourages all members to submit articles, email the board with suggestions for speakers, and/or volunteer on a committee.

**PRESIDENT'S MESSAGE**

RICK TABOR  
PRESIDENT

5:55 am, birds chirping, roosters crowing, sun rising. I roll over and turn off the alarm clock before the beep Beep BEEP, thinking to myself, "wow, it's May 2022, I'll be 65 on the 9th. Life is amazing."

Let's start by dispelling ageism. For most age brings wisdom, awareness of moderation, a desire to do more of what we love, and perhaps the freedom to give back through service to others. More of us now carry on with our careers. The average age of Nobel Prize winners is 62 years old. Warren Buffet is closing in on 90. Many experts say that age has little to do with success and leadership. So age is an issue of the mind over matter. If you don't mind, well you know the saying.

Let's eradicate ageism. I'm here to tell you life doesn't end once you retire. For many of us, retirement opens a new chapter, with new adventures. It offers many of us more time to stay active and take on new exciting challenges to learn, grow, and advance our skills, hopefully surrounding ourselves with people we love, and staying on the path of wisdom with dignity and happiness. Add some well-seasoned resilience to help with the unavoidable bumps and we should be in great shape. As John Lennon sang: "Life is what happens while you're busy making other plans." Meaning, we can set the goals we want for our future, but that won't change the fact that life is lived moment to moment, day to day, and tomorrow isn't promised. So carpe diem - seize the day.

I think that's a reasonably healthy goal to strive for. And that's my 65th birthday wish I'll hope to realize. Join me, if you can. We'll have cake and together we'll turn this 'silver tsunami' into a revolution of well-adjusted, aloha spirited Kūpuna with a dignity movement that shatters the outdated ageism stereotypes.

Please enjoy this month's newsletter. And we'll hope to see you via Zoom at the May 19th (11:30am-1:00pm) HPGS General Membership Meeting.

**MISSION STATEMENT**

The mission of HPGS is to increase awareness of and interest in the field of gerontology by providing networking and educational opportunities, as well as scholarships, to Hawaii's workforce or other interested parties, in which to support the creation of needed policies and programs that will enhance the quality and age-friendly services to our Kūpuna in Hawaii.

## HPGS GENERAL MEMBERSHIP MEETING

Join us for our HPGS General Membership Meeting on Thursday, May 19th 2022 from 11:30-1:00pm on Zoom. The meeting will feature a special panel that will focus on new approaches to fostering intergenerational connections and utilizing technology in innovative ways. These solutions arose from the pandemic and strive to improve the health and quality of life of kupuna. The presentation will feature speakers from Kupuna Care Corps, Our Kupuna, Lanakila Pacific and the University of Hawaii Center on Aging. Zoom link to join: <https://uhtasi.zoom.us/j/81600980502>

## 2022 AGING & DISABILITY ISSUE

The Hawaii Family Caregiver Coalition has published its 2022 Aging & Disability booklet, and here are a few highlights of what you'll find inside:

- The priority issues that deserve the attention of our lawmakers, advocates, and the public
- Facts & figures on aging nationally and in Hawaii
- A case for cost-effective services that keep the elderly healthy and save millions in elder care
- Long-term care issues in Hawaii
- The state of retirement in Hawaii and what can be done
- Real caregiver stories

There's much more, including what you can do to support our aging loved ones and caregivers, and resources in Hawaii with contact information. If you would like us to mail you the original printed version of the booklet, please email Gary Simon at [gsimon@aarp.org](mailto:gsimon@aarp.org) with your street address and let him know how many booklets you would like.

## RECONNECTING WITH SCHOLARSHIP AWARDEES

**Eric Wolfe**, a 2020 Scholarship awardee, is now a registered nurse, employed at Kahala Nui, and is working toward becoming a gerontological nurse practitioner. As part of his graduate program, he will be conducting a project on decreasing caregiver burnout for those who work with patients with Alzheimer's disease. Eric feels "the HPGS scholarship has supported me to pursue these goals and to better care for our Kupuna."

## HPGS NEWS

**Hawaii Pacific Neuroscience** Memory Disorders Center is the only facility in Hawaii with a dedicated multidisciplinary team of clinical neurologists, research neurologists, cognitive rehabilitation specialists and brain health and wellness specialists trained in diagnosing and treating memory disorders and dementia. The Memory Disorders Center and Alzheimer's Research Unit is a part of the global network of top neuroscience centers involved in Alzheimer's research funded by NIH and other organizations. Our Neuroscience Center of Excellence is recognized nationally for its work not only in providing not just routine clinical evaluations, but is also the only facility in Hawaii to offer groundbreaking Clinical Trials in Alzheimer's Dementia and Parkinson's disease including Aducanumab for mild to early Alzheimer's dementia. ## SOCIAL SECURITY BY JANE BURIGSAJ SOCIAL SECURITY PUBLIC AFFAIRS SPECIALIST IN HAWAII

Answers from the experts:

You may need Social Security when you least expect it and we're here to make sure our information is always accessible to you. Whether you're planning for your retirement years in advance or thinking about applying today, you probably have questions.

Our Frequently Asked Questions web page at [faq.ssa.gov](http://faq.ssa.gov) has answers to your questions about our programs and services. We feature our most-asked questions at the top of the page to help you find answers to the most common questions quickly, like:

- What should I do if I receive a call from someone claiming to be a Social Security employee?
- How do I change or correct my name on my Social Security number card?
- How do I apply for a new or replacement Social Security number card?
- How can I get a Social Security Statement that shows a record of my earnings and an estimate of my future benefits?

You can also browse by topics like:

- Disability.
- Social Security Payments.
- Retirement.
- Medicare.

We also have a publications library at [www.ssa.gov/pubs](http://www.ssa.gov/pubs) with information on many topics. And we provide each publication in text, audio, and downloadable formats.

## SMP HAWAII

U.S. Congress established the **Senior Medicare Patrol** in 1997 to protect older adults from Medicare fraud. SMP Hawaii is one of 54 projects nationwide funded by the U.S. Administration for Community Living (ACL) and is also a referral agency for individuals affected by alleged scams that may be unrelated to healthcare, such as investment, romance, social media, tax and more.

SMP Hawaii increases public awareness about the resulting economic and health-related consequences because of Medicare fraud, errors and abuse. SMP Hawaii works to resolve beneficiary complaints of potential healthcare fraud in collaboration with state and federal partners, including the U. S. Department of Health & Human Services Office of the Inspector General (OIG), Centers for Medicare & Medicaid Services (CMS), Hawaii State Department of the Attorney General (AG), Medicaid Fraud Control Unit and Hawaii State Department of Commerce and Consumer Affairs (DCCA).

SMP Hawaii, along with SMP projects across the nation are celebrating 25 years of protecting kupuna this June 1, 2022. Learn more about SMP, and its year-long activities and events during this special milestone, as well as how to volunteer and make an immediate and lasting difference.
