**PRESIDENT'S MESSAGE**

KATHY WYATT  
PRESIDENT

The Hawaii Pacific Gerontological Society's board of directors is very excited about our 22nd Biennial HPGS Conference, to be held in person this year at the Ala Moana Hotel on Thursday and Friday, September 7th and 8th. The conference committee is working diligently to bring you a robust program with many great take-aways. The theme, "Sustainable Transitions in Gerontology" leaves us open to a plethora of interesting topics. And it's not all work....breakfast, lunch, ice cream social, pupu hour, door prizes, and much more. HPGS members will receive a discount for the conference. Mark your calendars today!

The conference committee is looking for more presenters for the conference. Application can be made online at [www.hpgs.org](http://www.hpgs.org). Deadline to apply is April 30th. We welcome proposals from all disciplines, professions, and graduate students. Presentation proposals should be evidence-based, best practices, and/or research-focused. There will also be poster presentations shared with conventioners. If you know of anyone who would be a good speaker, have them apply soon. The 2021 conference had to turn speakers away if they were late.

"Save the Date" for the second HPGS General Membership Meeting of the year, to be held on Thursday, May 18th from 11:30am via Zoom. Speakers from the legislature will share Kupuna bills that passed, didn't pass, or will go forward next year. Listen and ask questions so you understand what your government is doing to assist Hawaii's Kupuna.

Mahalo to the many HPGS members who have renewed their membership for 2023. Renewing will allow members to be a part of the three General Membership Meetings for the year, get a discount at the biennial conference, and receive the monthly newsletter. HPGS members may also join the board, be a part of any committee, submit articles for the newsletter, and network with members.

**MISSION STATEMENT**

The mission of HPGS is to increase awareness of and interest in the field of gerontology by providing networking and educational opportunities, as well as scholarships, to Hawaii's workforce or other interested parties, in which to support the creation of needed policies and programs that will enhance the quality and age-friendly services to our Kupuna in Hawaii.

## HPGS CONFERENCE

One of the important components of the HPGS Biennial Conference has always been donations made by sponsors who support the mission and education through the conference. 2023 is no different, needing funds to help run the conference from its venue, equipment rental, and food for breakfast, lunch, and two networking socials, as well as to provide sponsorship of students, while providing an excellent education relating to our Kupuna.

The conference is intended for professionals and practitioners in the aging network, health and human service field, businesses, government agencies, non-profits, and faith-base organizations serving Kupuna, applied researchers, students in gerontology, advocates for Kupuna and Kupuna themselves. Many have enjoyed past conferences.

The Sponsorship Form is attached to this month's newsletter. Please see where you and/or your company or organization can find a way to support this year's conference. There is the GOLD sponsorship of a \$3,000 or more donation; the SILVER is a donation of \$2,000; a BRONZE sponsorship is a \$1,000 donation; and \$100 to \$999 will be a FRIEND OF HPGS. In any case, your donation will be much appreciated and benefit everyone who attends the conference, especially the students and Kupuna.

## HPGS MEMBER NEWS

HPGS Member, John Hauoli Tomoso, shares with our members that this "is the Collect (Opening Prayer) the congregation prayed at my Installation as Vicar of Trinity Episcopal Church By-the-Sea, in Kihei, Maui, Hawai'i. It "says it all": O God of unchangeable power and eternal light: Look favorably on your whole Church, that wonderful and sacred mystery; by the effectual working of your providence, carry out in tranquility the plan of salvation; let the whole world see and know that things which were

cast down are being raised up, and things which had grown old are being made new, and that all things are being brought to their perfection by him through whom all things were made, your Son Jesus Christ our Lord; who lives and reigns with you, in the unity of the Holy Spirit, one God, for ever and ever. Amen.
